

## Bizarre Plot to Ship Moroccan in Trunk Is Foiled

ROME, Nov. 18 (UPI) — Italy today ordered two Egyptian diplomats expelled from the country for trying to kidnap a Moroccan in diplomatic trunk bound for Cairo. The Italian government lodged a "very strong protest" with the United Arab Republic over the bizarre case. The UAR embassy said it knew nothing of the case. It said the two diplomats involved claimed that someone had replaced the regular embassy trunk with one containing the attempted kidnapping victim.

The embassy added, however, that the two diplomats would leave the country in the interest of "good relations" between Italy and the UAR.

Policemen in Naples, where the planned kidnapping had spent some time earlier this year, said he paid a Moroccan passport issued by the Moroccan consulate in Palmyra, Syria, on Aug. 5, 1961, later extended.

The Moroccan was rescued

from the Houthi-like trunk held when he moaned for help just as it was loaded aboard an Egyptian airliner at Rome's Palermo Airport. The plane was headed for Cairo, Italy.

He had been bound, gagged, drugged and carefully packed inside the heavily equipped trunk. It was inside "diplomatic mail" and carried the seals of the Egyptian embassy here.

The discovery was made after an airport search among the two BIZARRE PLOT, Pg. 2, Col. 5

### U. S. Official Optimistic on Nuclear Force

WASHINGTON, Nov. 18 (UPI) — Undersecretary of State George W. Ball has returned from Europe optimistic about prospects for agreement early next year for formation of a nuclear weapons force within the North Atlantic Treaty Organization.

Ball came back yesterday from the first of two scheduled European missions concerned primarily with divisions among the Atlantic Allies over a variety of military, political and economic problems.

His primary concern, however, has been to do everything possible to move forward work on the nuclear weapons problem.

He told reporters that he brought back "a good deal of optimism" as regard to the spirit with which interested Europeans are now working on the U.S. proposal for organization of a seapower nuclear missile force.

"I think the German government is very determined to try to make success of this proposal," Ball said.

However, he said it would take some weeks beyond the previous year-end deadline for an agreement in order to give the new British Labor government time to work out its position on the nuclear weapons issue.

### U. S. Plane Shot Down Over Laos

WASHINGTON, Nov. 18 (UPI) — A U.S. \$400-million fighter plane which was escorting a reconnaissance flight over Laos has been shot down. Reconnaissance operations for the pilot are under way. Secretary of Defense Robert S. McNamara announced today.

The fighter was one of two aircraft escorting an R-50 photo-reconnaissance plane in operations similar to those begun earlier at the request of the Laotian government to detect infiltration of North Vietnamese personnel and equipment into rebel territory and to permit their evacuation.

It is not a cloud on the horizon. It is a full blown thunderstorm," he said.

Smiley said he plans to ask Holden's committee to draft legislation creating the agency for presentation to the 1965 legislature.

"It is interesting," said Smiley, "that all of the water shortfalls cited against the resolution did not appear in the report in favor of it. It appears that different wanting to withdraw from other states a veto power it extends to its own country.

"This is not a cloud on the horizon. It is a full blown thunderstorm," he said.

Smiley said he plans to ask Holden's committee to draft legislation creating the agency for presentation to the 1965 legislature.

McNamara told a news conference that the incident occurred about midnight EST. in the "panhandle" part of Laos in the south central section.

One of the two escorting jets was hit by gunfire from the ground.

McNamara said the escort aircraft then opened fire on the installation from which the gunfire came.

McNamara said he had no further details, including information concerning the pilot of the downed plane, had been rescued because he had received the preliminary information only a few minutes before he came to the news conference.

### 20 Injured

SAIGON, South Vietnam, Nov. 18 (UPI) — A communist terrorist bomb exploded in a cafe filled with American servicemen at Saigon's Tan Son Nhut airport today, injuring 18 Americans and two Vietnamese.

The terrorist bomb went off at noon, as the Americans were catching a quick lunch.

The explosion wrecked the snack bar inside the blue-painted cafe, which is located less than 100 yards from the Saigon International airport.

Michael Fox, president of the AFL-CIO Railways employee labor department, predicted

walkouts by the 100 shopcraft unions would result in "virtually a complete shutdown" of the railroads.

No injuries were reported.

## Execution of Missionary Has Been Postponed Until Monday

NAIROBI, Kenya, Nov. 18 (UPI) — Congolese rebel leader Christopher Gbenyo announced today the execution of American missionary Dr. Paul Carlson has been postponed until Monday, Stanleyville radio reported. A broadcast by the rebel radio said Gbenyo has sent a message to Prime Minister Jomo Kenyatta to this effect, but added that in the meantime it was up to Washington to find a suitable

venue for executing over the prisoners held in the rebel stronghold. It added that if no satisfactory venue is found, Carlson will be executed as scheduled.

Gbenyo addressed his message to Kenyatta, who at the urging of the United States asked the rebel leader yesterday to spare the life of Carlson for humanitarian reasons.

The United States also appealed directly to the Congolese rebel leaders to protect Carlson and other Americans in rebel territory and to permit their safe evacuation.

U.S. Ambassador G. McMurtre Codrington directed the appeal to President Mobutu Sese Seko, Gbenyo's headquarters in Gikongoro, where about 60 Americans are "prisoners of war."

Codrington presumably sent the appeal by radio or through an intermediary. The United States does not have direct contact with the rebel capital 775 miles northeast of Leopoldville.

The United States said it holds the rebel authorities "directly and personally responsible for the safety of Dr. Carlson and of all American citizens under your control."

Young Bortz was sitting on his bicycle about 8 a.m. Tuesday at Orange Street and Diamond Avenue, when the small children pushed him into the bath of a 1968 Plymouth driven by Mrs. Katherine L. Day, 21, Twin Falls.

Mrs. Day told Mrs. Bortz after the accident that she noticed the children were going to push young Bortz into the path of her vehicle and had applied the brakes to her car. She was almost stopped when the incident occurred.

Young Bortz reportedly was not seriously injured and went on to school.

City police were notified about 10:05 a.m. Tuesday and investigated. No citation was issued.

In another accident Tuesday, Orlie W. Tipton, 44, Hansen, was cited for improper parking after a trailer hitched to the back of a truck he was driving was struck by another car at 4:26 p.m. on Shoshone Street west.

Tipton was driving a 1967 International truck pulling a trailer which was pulled up to the side of the highway to check the trailer. The trailer was then struck by a 1961 Rambler driven by Mrs. Olive Garrel, 70, route 1, Kimberly.

Tipton was cited for improper parking, according to the investigating officer, because the trailer was in Mrs. Garrel's lane of traffic.

A full-scale investigation was started immediately.

Young Bortz reportedly was not seriously injured and went on to school.

## Surfers Face Charges for Gem Theft

MIAMI, Nov. 18 (UPI)—Two dapper beach boys signed extradition papers yesterday and agreed to face charges of theft of the American Museum of Natural History of \$400,000 in jewels.

Jack "Murphy-the-Surf" Murphy and Alan D. Kuhn signed the extradition papers shortly after U.S. Commissioner Edward P. Swann granted the government another two-week delay on a hearing on charges of interstate transportation of stolen jewels.

U.S. Attorney Aaron Posner cited another case in which the government was granted a total of 25 days delay in a hearing involving a \$60,000 robbery.

The jewels, taken from an unguarded case in the famed New York museum last month, were valued altogether at around \$400,000. But the Star of India sapphire and the La Long ruby were called "priceless" by museum authorities.

Harvey St. Jean, the lawyer for the suspects, appealed the break to the U.S. Commissioner, who countered by charging the delays were depriving Kuhn and Murphy of their constitutional right to a speedy hearing.

**12 Pistols Taken From Utah Armory**

SALT LAKE CITY, Nov. 18 (UPI)—Twelve .45-caliber pistols were taken from the U.S. Army reserve armory during a Monday night break—that left a trail of destruction through Moors Hall.

The FBI took over investigation yesterday after it was determined that the destroyed and damaged property belonged to the government.

A safe was blown open and two coin vending machines were smashed. Agents said there had not been any money in the safe, and although its contents were strewn across a room, none of the papers were taken.

Army officials were taking an inventory yesterday in order to estimate the cost of the burglary, which involved apparently needless destruction.

A hole was knocked through an inside wall leading to a kitchen. Including the—locked weapon room, three rooms were forcibly entered in the rampage. Carbines, rifles and other weapons were not touched. Some of the loot was found in the rear of the building, where it was discarded by the burglar or burglar.

It was unclear yesterday how the building was entered or the time of the break-in. The hall was locked up at 8:30 p.m. Monday, and the burglary was discovered when personnel came to work yesterday morning.

## Export of Equipment to Africa Stops

LONDON, Nov. 18 (UPI)—Prime Minister Harold Wilson announced yesterday the government is banning the export of military equipment to South Africa. The move could cost Britain its naval base at Simonstown near Cape Town.

Wilson said the decision would bring the government's policy "in line with United Nations resolutions on this question."

Last spring, the U.N. security council called for an embargo on the shipment of arms to South Africa because of its policy of white supremacy.

"It has been decided that all outstanding licenses should be revoked except where they are known to relate to current contracts with the South African government," Wilson told the house of commons.

The contract to supply 18 Buccaneer aircraft is still under review.

South African Premier Hendrik Verwoerd warned last week that if Britain failed to honor the contracts to deliver the Buccaneers his government "would close the British naval base at Simonstown."

There was no immediate official reaction from the South African government on Wilson's announcement. But a source said that if Britain decided not to supply the Buccaneers, South African government officials might institute an unofficial boycott of British goods. He noted that such a boycott would cost Britain far more in export orders than the 126 million dollars involved in the Buccaneer deal.

## News Around Idaho

BOISE, Nov. 18 (UPI)—White numbers on a dark green background will be the style for 1965 Idaho auto and truck license tags which will go on sale during the 44 counties Dec. 1. The tags will remain on sale through Jan. 14. Prices for auto plates will range down from a top of \$17.50 for 1963-64 model cars.

IDAHO FALLS, Nov. 18 (UPI)—Two Idaho Falls girls were injured in an accident two miles north of Shelley on U.S. 93 yesterday about 9:30 p.m., when their car skidded off the road into a 44,000-volt line power pole. Judy Wydra, 16, driver of the car, and Steven Hadley, 17, a passenger, were listed in good condition in St. Luke's hospital after being admitted and treated for lacerations. Michael E. Priest, 17, Idaho Falls, was charged with reckless operation in the accident. Investigating officers said that Priest passed the girls' car and suddenly applied his brakes, causing Miss Wydra to brake and skid.

POCATELLO, Nov. 18 (UPI)—Minor Bill Kirby is scheduled to go on trial Monday for the fatal shooting of Sharon Marie Knudson, 24, last May. The 47-year-old machinist is charged with voluntary manslaughter. He told police he scuttled with the victim when she appeared with a pistol and ordered him to leave her home. He said he and Miss Knudson had become enraged the day before the shooting.

POCATELLO, Nov. 18 (UPI)—Students from 22 southeastern Idaho schools were told yesterday that "education will do no good if we don't use our knowledge to help human beings and enhance their dignity." The speaker was Dorothy Zimmerman, assistant secretary of professional relations of the Utah Education Association. She told 586 high school members of Future Teachers of America at a meeting on the Idaho State university campus that social responsibility is "a test to cover all the subjects we teach in school. We must use our knowledge of science, mathematics and language to understand people and live with them in a more harmonious way and to help them raise their standards of living." We make our goal of education," she said. Miss Zimmerman, Salt Lake City, was the keynote speaker for the one-day convention in IDUH student union building.

BOISE, Nov. 18 (UPI)—"Epitrite, Wash., firm was named low bidder yesterday for construction of the Sheep Creek rest area on U.S. highway 95 in Idaho county. The bid by Robinson and Robinson was \$11,550. The state highway job includes planting trees, grass seeding and a water distribution system.

POCATELLO, Nov. 18 (UPI)—The Pocatello school board yesterday accepted the low bid of the Taylorsville construction company, Pocatello, to build a new middle, high school at \$607,225. The school will be built on the Pocatello State University and will be ready for the next fall. \$100,000 will be set aside for teacher training programs. The board eliminated finishes in four rooms and voted to accept steel sections instead of aluminum, saving \$16,180. Other bidders were Interstate Construction, Pocatello, \$60,000; Mitchell Construction, Pocatello, and Arrington Construction, Idaho Falls.

BOISE, Nov. 18 (UPI)—Construction of more direct access roads to two recreational areas in southwestern Idaho was reported yesterday by the state fish and game department. The roads lead to picnic areas on the C. J. Strike wildlife management area on the Snake river south of Mountain Home and to the Port Boise wildlife management area at the confluence of the Boise and Snake rivers just south of Caldwell. In both cases, the department said, the new roads substitute for meandering routes formerly used.

POCATELLO, Nov. 18 (UPI)—The first-degree murder trial of John Dee Larson was advanced a week to Dec. 1 by U.S. district Judge Arthur P. Oliver yesterday. The judge gave no reason for the change, but indicated he may be expecting a lengthy trial. He ordered a new list of prospective jurors to be drawn. He is charged with the slaying in April of Vicki Jo Quinn, whose body was found in a grave on the Fort Hall Indian reservation. She had been stabbed a number of times. On the strength of new evidence he was granted a new trial.

POCATELLO, Nov. 18 (UPI)—Members of the Amalgamated Meat Cutters and Butchers Workers union approved last night a new contract with southwestern Idaho meat packing plants. The approval comes despite the threat of a strike in seven plants in the region. Van Dales Davis, president of the union, was struck yesterday but workers returned to their jobs today. The new contract provides for a wage increase of about cents a hour for the first year, nine cents the second and 10 cents the third.

POCATELLO, Nov. 18 (UPI)—North and South Idaho Forestry associations want congress to appropriate funds for development of forest areas roads they say are needed to implement utilization of all natural resources. The request was contained in a resolution adopted by the two associations yesterday at concluding sessions of a state and natural resources meeting in McCall. Ted Hoff, Jr., Horseshoe Bend lumberman, who was chairman for the meeting, said all other public and private associations will be asked to support the resolution and to press for speedy enactment of an appropriation measure. He said the associations will also seek the support of user groups in all the western states.

ST. ANTHONY, Nov. 18 (UPI)—After three previous failures, the Fremont county school district yesterday voted a school bond issue for building construction. The bond proposal carried by a vote of 1,883 to 742, for a 7.8 per cent majority. The bond issue is to be for \$1,335,000 and will provide for funds for elementary schools in Ashton, Parker and St. Anthony, and a high school building in St. Anthony. In St. Anthony 1,111 votes were cast in favor of the bond and only 50 against. The majority of Ashton voters were against the issue, with 525 votes against, and 128 in favor.

POCATELLO, Nov. 18 (UPI)—The Idaho Wool Growers Association is on record as favoring continuation of the national wool act "for as many years as possible." The association's position was stated in one of several resolutions adopted yesterday during sessions of its annual state convention at Pocatello. R. K. Sidloway, St. Anthony, was elected president to succeed Ray Linbeck. Twin Falls, who served three terms, Walter Little, New Plymouth, was reelected to a three-year term as an association director. Prior to the adoption of resolutions, Charles M. Miller, a representative to the national association, spoke on the subject of the new law adopted by the 88th congress. He said the new laws take into account the year-to-year fluctuations experienced by live stock producers and permit them to average their income taxes over a five-year period for purposes of figuring their income taxes.

## Miss Thaxton, O'Dell Recite Marriage Vows

HEYBURN, Nov. 18.—The Idaho Falls LDS temple was the setting Oct. 9 for the wedding of Pamela Thaxton and John O'Dell. The couple exchanged rings concluding the ceremony performed by Temple President William L. Kilpatrick.

The bride is the daughter of Mr. and Mrs. Leland Thaxton, Heyburn, and O'Dell is the son of Mr. and Mrs. James O'Dell, Bakersfield, Calif.

Accompanying the couple to the temple were their parents, J. W. Sorenson, Mr. and Mrs. Verle Summers, Mr. and Mrs. Robert Whiting and Mr. and Mrs. Clifford Johnson, all Heyburn, and Mr. and Mrs. Kenneth Dyke, Amarillo, Tex.

Members of the bridal party were invited to a wedding breakfast after the ceremony at the Skyline Inn, Idaho Falls, hosted by J. W. Sorenson, grandfather of the bride.

A wedding reception was held Oct. 10 at the Heyburn LDS cultural hall. Music for dancing was by Johnny's Starlighters.

Guests were greeted before a bridal arch decorated with white wedding bells and yellow ribbon flanked by arrangements of fern and beauty baskets of yellow spider chrysanthemums.

The bride wore a wedding gown of white-style lace with a wide net and taffeta 25-in. train, made by sister, Mrs. K. Dyke. The fitted bodice featured three-quarter length sleeves and a boat neckline edged with lace, seed pearls and sequins. Lace trim accented the floor-length full skirt. A sequin and pearl studded crown secured her elbow-length tulle veil. She carried a cascade of yellow spider chrysanthemums and stephanotis tied with yellow and white satin ribbons.

Mrs. Kenneth Dyke, sister of the bride, was in charge of honor-bearers. Guests were Mr. Leon Hollingshead, Provo, and Mrs. Robert McCreary, Salt Lake City, both former roommates of the bride.

Their crepe gowns were fashioned of full prints of orange and yellow on dark background. Each carried a cascading bouquet of spider chrysanthemums and chrysanthemums tied with yellow satin.

Larry Hanks, Salt Lake City, former companion of the bridegroom, was best man. Ushers were Kenneth Dyke, Robert McLaren and Leon Hollingshead.

The bride's mother chose a green two-piece cotton knit suit. The bridegroom's mother selected a black crepe afternoon dress. Each wore a corsage of yellow flowers surrounded with white carnations.

Mrs. Ned Moon was in charge of the guest book. Guests, carried by Cynthia Dyke, Ned Moon, Jerry Moon, Edie Evelyn, David O'Dell and Phillip O'Dell, were arranged by Mrs. Verle Summers, Mrs. Dennis Robertson, Mrs. Lynn Keiner, Mrs. Norman Ashby and Karen Thaxton.

The wedding cake was centered on a table covered with net—caught at intervals with butterfly chrysanthemums. The cake featured a square base, topped with three round layers decorated with yellow roses nestled in open white frosted shells.

with a wedding band and engagement ring tucked in one of the shells. Swans and pearls decorated the cake.

The cake was cut and served by Mrs. Alfred Thaxton and Mrs. Marion Thaxton, aunts of the bride.

Guests were served by Elaine Thaxton, Mary Ann Thaxton, Christy Wodzak and Janine Van Wagner. Mrs. Raymond Birch, Mrs. Ernest Hand, Mrs. Richard Evans and Mrs. Raymond West were kitchen assistants.

Lee McCracken, Twin Falls, was master of ceremonies for the program.

For traveling, the bride selected a blue and white plaid wool suit.

The bride was graduated from Minico high school and Twin Falls Business college. She has been employed with the probate court and employment service both Twin Falls, and was secretary to the history department at BYU.

O'Dell was graduated from high school in Bakersfield, Calif., served with the marine corps and fulfilled an LDS eastern states mission. He is employed with Petrol Cabinet company, Twin Falls, and is attending night school. The couple resides at 107 Northwest Temple, Salt Lake City.

The bride was honored with pre-nuptial personal showers in Provo by Mrs. Ruth Whiting. The couple enjoyed an open house reception at the home of Dr. and Mrs. Eugene Campbell, Provo.

The bride wore a wedding gown of white-style lace with a wide net and taffeta 25-in. train, made by sister, Mrs. K. Dyke. # Buffalo Bills Place Good Of Team Over Individual, Release Top AFL Rusher

BUFFALO, N.Y., Nov. 18 (AP)—The Buffalo Bills, winners of nine of 10 American Football League games but never a champion, fired fullback Cookie Gilchrist Tuesday. "His only concern is himself and how much yardage he can gain," coach Lou Saban said of the AFL's leading ground-gainer. Gilchrist has carried 166 times this season for 751 yards. Gilchrist carried 11 times for 31 yards Sunday against the Boston Patriots, who spoiled the Bills' undefeated status 36-28. The Bills have four games to play.

"Certain incidents have taken place over the last six weeks which have caused me to feel that I am not the man for the club," Saban said. "I feel we had to go without him. The club is more important than the individual's gain."

It was reported that Gilchrist refused to take the field when Buffalo had the ball on its 40 with 24 seconds left in the first half of the Boston game. Saban spoke with him in the dressing room during intermission, and Gilchrist played the second half.

Gilchrist, who had asked to be traded before he signed his 1963 contract, said in a telephone interview he had expected to be let go.

"I feel the Bills had not used my full potential as a fullback last year and this is frustrating to a professional player," he said. Gilchrist said he did not realize an incident that led to his release placed on waivers. He was assigned, however, to have missed several early season practice sessions and violated out-of-town.

"I'm healthy, strong and a workhorse," he said. "If you don't work—a workhorse—he will—keel over and die. I feel that's what happened to me. I feel I became nothing more than a blocking horse."

Gilchrist, a 250-pounder, can be claimed for 1969.

He said he would be interested in playing for either the New York Jets or the Oakland Raiders. The Jets quickly claimed him but cannot act until Houston, Denver, Oakland, and Kansas City waive on him.

He said he would consider playing in the National Football League if none of the AFL clubs wanted him.

"But I'm not overly keen about it," he said. "I've played in the American League for three years and have got two more years to go for a pension."

Playing in the NFL would be a challenge, he added.

"It might carry my career another five or seven years," he said.

Gilchrist, who ran for 1,005 yards in 1962 to win the AFL's first 1,000-yard game, also scored 20 touchdowns that year and missed eight field goals.

Last year despite injuries he gained 979 yards, including a single-game professional record of 243 yards rushing against the New York Jets. He also scored 14 touchdowns.

Gilchrist, who never played college football, signed as a pro directly out of high school in 1962 with the Cleveland Browns and dropped out of the NFL. He was dropped after a short trial.

## Pro Predicts 271 to Win Cajun-Classic

LAWAYETTE, La., Nov. 18 (UPI)—It will be 271 to win the Cajun Classic, predicts Luca Barbato, the pro at the hot Cajun Country club.

The sixth annual Cajun Classic, third and final stop on the Professional Golfers Association tour—starts Thursday with Arnold Palmer and Jack Nicklaus dueling for the money championship of 1964.

"But this is no longer a private duel between Palmer and Nicklaus," said Barbato Tuesday. "Anyons of a number of players could win it."

"It was a funny season," says Barbato, and Cajun, meaning fun, is peculiar rather than humorous. "Right now the boys are going 'up in the hills,' telling us they hope the basketball team does well to help make up for the football season. I guess they feel they really let us down."

"We know when we went into the season we could be the best four teams just as well as the last four teams," says Barbato. "Biloxi and Caldwell, All three had very good teams. Stamps ambushed us. But I still think we played the best teams in the state to a near standstill and I wouldn't mind taking any one of them on again. They were a good bunch of kids," he concluded.

He might have added but there weren't enough of them, because the lack of depth was the main reason for their 23-12 record this year. Not to mention the efforts and hustle behind the presence of amateur talent, of SIC championship caliber, was manifested in only about 15 players. Too many boys had to go both ways.

But the fact was this was the first season somebody didn't really outclass Twin Falls. This was the first time that Twin Falls met North Idaho and stopped them—except following the two breaks. And they lost by two.

It was noted earlier here that DeAndros would be the featured hero. DeAndros will follow by showing a 100-yarder to the Vandals. The question is which one. Idaho's victory over Washington State, surprised?

**NCAA Ban on Unsanctioned Meets Is Effective Today**

KANSAS CITY, Nov. 18 (UPI)—The National Collegiate Athletic Association put into effect today a rule that athletes at its 620 member schools may not compete in any open meet which violates the rules of the United States Track and Field Federation.

The policy was adopted by the NCAA council in New York Nov. 4. Robert F. Ray of the University of Iowa, NCAA president, announced that it is effective Dec. 1, but does not apply to this year's cross-country competition.

Invoking the rule, officials responsible for the NCAA's competition with the amateur Athletic Union over the canceling of track and field meets—this is the case of the MacArthur negotiations—a truce between them in January, 1964, but it expired with the end of the Olympics in Tokyo.

The NCAA contends it has the sole right to sanction open meets in the United States. It has refused to sanction events which accept entries from the USATF and other federations aligned with the NCAA. The fight has been going on more than three years.

Ray's announcement included this statement:

"College athletes may compete in any open meet which extends them an invitation and which obtains a USATF sanction. There is nothing

new in this statement. It is the same as the AAU's authority or right to sanction open competition or which would result in limiting anyone's competition in indoor meets this winter.

"If the AAU persists in mis-leading claims that it is the only amateur organization which can sanction open track competition; if it pressures indoor meet promoters not to accept AAU sanction, then the NCAA will be forced to respond," said the executive director of the AAU.

"It is difficult for our college and university administrators to see how anyone can construed this as an NCAA boycott."

## About Only New Face At Bliss Is Coach

BLISS, Nov. 18—Only the coach is new as the Bliss Bears prepare for another basketball season under the watchful eye of Al Muser. Muser takes over from the departed Jay Durfee and inherits a first string intact. About the only loss from last year's 7-13 team is Rusty Purdy, who transferred to Gooding. The probable Bliss starting lineup will include four three-year veterans seniors plus a two-year man.

Leading the returning unit is last year's top scorer Rod Pruitt. A 5-foot, 11-inch forward, Pruitt tanked 200 points in all 20 games last year and had 104 in the Northeast conference. Second high scorer and also returning is Jim Galkins, who had 166 points overall and 125 for the league. Terry Watkins, 6-foot, 7-inch guard, tanked 166 and 108. The other two veterans are Dave Fleming, 5 feet, 9 inches, and Bruce Robbins, 5 feet, 10 inches.

Coach Muser is also counting on two sophomores and a freshman for the team. The sophomores are Kenny Robbins and Ken Cox and Jimmie Robbins is the freshman.

The Bliss schedule includes Dec. 4, Gooding State at Bliss; Dec. 11, Hansen at Bliss; Dec. 18, Bliss at Clouding State; Dec. 25, Bliss at Twin Falls sophomore; Dec. 22, Bliss at Hansen; and Jan. 5, Bliss at District.

Jan. 12, Gooding State at Bliss (conference); Jan. 15, Twin Falls sophomore at Bliss; Jan. 16, Bliss at Camas County; Jan. 22, Bliss at Field at Bliss; Jan. 26, Bliss at Hagerman; and Jan. 29, Carey at Bliss.

Although DeAndros, Paul O'Leary, disapproves the statistic—the team's record seems closer by score to winning the SIC championship than any team since the 1961 club actually accomplished it.

The four conference losses came closer, by score, to winning the SIC championship than any team since the 1961 club actually accomplished it.

The four conference losses came by an aggregate of 16 points. Three years ago, when Twin Falls came in second, the Bruins missed by 17 points.

The Bruins perhaps was shown in the first game against Bush in the Twin Falls game, but of all of six points, three were lost in attempting to collect the important conversions cost them two losses—two points to Nampa, one to Boise. They bowed six points, in the final 4-2-2 to Caldwell and seven points to Boise—on two fumbles and a pass interception. The total number of points in deficit was 16. The year Twin Falls was second it bowed to Boise 36-36.

"It was a funny season," says coach Paul O'Leary, meaning fun, peculiar rather than humorous. "Right now the boys are going 'up in the hills,' telling us they hope the basketball team does well to help make up for the football season. I guess they feel they really let us down."

"We know when we went into the season we could be the best four teams just as well as the last four teams," says Barbato. "Biloxi and Caldwell, All three had very good teams. Stamps ambushed us. ## Bullets Rally to Overcome Boston

BALTIMORE, Nov. 18 (UPI)—The Baltimore Bullets overcome a 23-point deficit with a furious last-half rally and defeated the Edmontons 102-99 Tuesday night.

The Celts, behind the sensational shooting of Sam Jones who hit 13 of 20 shots in the first half, were leading 74-51 with eight minutes remaining in the third quarter.

One point to the mythical state champion.

There is no alibi. The Bruins knew they had to make a strong fourth-quarter rally play when they started. It turned out to be "four" they didn't win any of the "big ones" but they didn't mix by much. They should eat their banquet dinner in good spirits because they know they tried their hardest.

# Yogi Berra Swaps Pinstripes for Job as Met Coach

NEW YORK, Nov. 18 (AP) — Yogi Berra, a Yankee for 18 years, joined his old boss Casey Stengel Tuesday as a coach for the New York Mets. If the 39-year-old ex-catcher can get in shape during spring training, he will be a player-coach and pinch hitter. Fired as Yankee manager the day after he lost the world series to the St. Louis Cardinals, Berra will benefit by a rare salary arrangement. In addition to the reported \$40,000 a year salary from the Mets, he will get an additional \$25,000 from the Yankees.

## Duck, Beaver Coaches Talk Over Bowl

SALEM, Ore., Nov. 18 (AP) — Oregon and Oregon State football coaches had on two things Tuesday: 1. They've got something more important to think about this week-end than the Rose Bowl game, and 2. Oregon's Bob Berry is America's greatest quarterback.

"Perhaps we were thinking too much about the Rose Bowl and not enough about Stanford last night," said Bob Zelinka, No. 1 coach at Oregon State who voted in for Tommy Prothro at a recent meeting of the Oregon association of broadcasters and broadcasters.

Prothro was ill with

flu shot reaction.

Oregon's coach Len Casanova said, "All we're worried about is getting the Raavars."

The two teams meet Saturday in their traditional game on which the possible Rose Bowl bid which Oregon has had a record of 7-1-1 Oregon State 0-0.

Stanford, the only team to have beaten Oregon, also beat Oregon State last Saturday, and as a result, that said Zelinka. "We're as far away from the Rose Bowl as we were at the beginning of the year."

"It is said of Saturday's game, Berry is the greatest one-man show I've ever seen and probably the greatest quarterback in the United States. When he's healthy, nobody has stopped him."

Colts, Browns Prove Value Of Possession

NEW YORK, Nov. 18 (AP) — That's all who once philosophized that "you can't score without the ball" knew what he was talking about all right.

The Baltimore Colts and Cleveland Browns, leaders in the National Football League's Western and Eastern divisions, have proven that lesson well this season.

Baltimore's defensive unit has been control of the ball 28 times in recovered fumbles and interceptions this season according to NFL figures released Tuesday.

Cleveland has grabbed the ball from the opposition 30 times and run it up only 19 times on fumbles and interceptions.

Cleveland's Bill Stanwick does not consider the double recoveries and interceptions as breaks.

"The fumbles usually stemmed from bad tackling and being in the right spot to recover. It's just a matter of doing the defensive job we're supposed to do," says Stanwick.

Cleveland Coach Blanton Collier says simply: "We like to think we cause the others to make mistakes."

## Snell Betters World Record For Mile, Aims for 3:50 Mark

AUCKLAND, New Zealand, Nov. 18 (AP) — Peter Snell of New Zealand, whose aim is to run a 3:50 mile, bettered his own world record with a clocking of three minutes, 54.1 seconds Tuesday over a cinder track in Western Springs stadium. Racing against an international field, the lean, 25-year-old Auckland athlete clipped three-tenths of a second off the mark set Jan. 27, 1962, on a grass track at Wanganui. Two other

runners broke the 3:57

barrier in the fast-paced race which saw Snell cross the finish line with 16

yards to spare.

Josef Odlozil of Czechoslovakia, second to Snell in the Olympic 1,500 meters last month in Tokyo, was second in 3:58.4. John Day of New Zealand was third.

After the official announcement, a telephone call to Snell at his Glendale, Calif., home was arranged.

"Very, very delighted to have you, Yogi," said Stengel. "You did the work for me. I know you're going to be successful. I look up your record and it took me two pages. Don't get into many jams. I don't want you to go to night that Cummins City now."

Snell said he first contacted Yogi about six days after the Yankees had fired him as manager "because a lot of people were saying, 'Why don't you go to the Mets?'"

## Return of Top Guns Puts Bite in Indians

SHOSHONE, Nov. 18 — Paced by the return of leading scorer George Trenkle plus two more of last year's leaders, the Shoshone Redskins and new coach Bud Watkins hope to improve on 1963-64's solid 19-7

record.

That was the exact order at the 1,500 meters finish at Tokyo where Snell also won his second consecutive gold medal. In the 800.

After scoring his Olympic double at Tokyo, the first man in 44 years to capture the two middle-distance events, Snell told reporters he planned to campaign for a 3:50 mile in the next few months and then retire.

With a big stronger competition, he may have come closer to that record.

Snell lay back comfortably in third place for most of the race half of the race, while fellow New Zealanders set the pace.

Just before the field reached the halfway mark, the Auckland bull let bolted to the front and began pulling away.

With no pressure from either Odlozil or Davies, both slowed his pace on the final lap and crossed the finish line alone. The second Davies on the final turn but he had moved close to the easy-hitting Snell.

Odlozil's time was his best. It beat the Czechoslovakian national record.

Snell also eclipsed the world record in the 1,000 meters last Thursday, going the distance in 2:13.6. This knocked a tenth of a second off the mark of 2:10.6 held by Germany's Siegfried Valentin.

Snell has proved himself the world's best middle distance runner. He holds the world records in the mile, one-half mile, 300

meters, 1,000 meters and the indoor half-mile and 1,000 yards.

RECORD

ROSE BOWL PICK DEPENDS ON USC-UCLA TILT

BAY FRANCISCO, Nov. 18 (AP) — The western representative of the Rose Bowl may be chosen Monday or the following week, depending on whether the University of Southern California wins or loses its game against UCLA Saturday.

Tom Hamilton, executive officer of the Pacific Athletic conference, has set up a conference telephone call with the faculty representatives for affiliation at the eight member institutions for 10 a.m. Monday.

UCLA, USC and Oregon State all are 21 in the conference and Washington has the same percentage at 4-2.

Findlay Named To NAIA Playoff

KANSAS CITY, Nov. 18 (UPI) — Findlay, Ohio, which won nine games and lost one in its individual football schedule, was named Tuesday to a playoff of the National Association of Intercollegiate Athletes.

The Indians, the only team in the conference and one of the two remaining undefeated, will play in the NAIA poll. The single loss was to Eastern Kentucky, 17-16.

The NAIA had announced earlier that Concordia, Moorhead, Minn., 9-0, and Linfield of McMinnville, Ore., 8-1, will play Findlay, 10-0, in one of the two playoff games. The winners will advance to the NAIA Champion Bowl in Atlanta, Ga., Dec. 12.

Adult League

Organizational meeting of the Twin Falls adult city basketball league will be conducted at 7:30 p.m. Thursday at the Twin Falls city hall.

Recreation director Ondra Brownrigg said all managers and players should attend. He hopes to begin league play Dec. 4.

## Alabama Not Definite on Orange Bowl

NEW YORK, Nov. 18 (UPI) — It's fairly definite that second-ranked Alabama will play Texas in Miami's Orange bowl, but don't try to get the word from the Crimson Tide coach, Paul "Bear" Bryant.

"Our president, Dr. Frank Rose, was out of town last weekend when the invitation came," Bryant said Monday in an appearance before the New York football writers. "Also, I have made it a policy never to talk over such matters with the players before the end of the season."

"It's entirely up to the players, who will be polled, and when the decision will be made by the Athletic Board, I can't say."

However, Bryant, whose team won its ninth straight game Saturday by whipping George Tech 24-7, was in New York as the guest of the NBC television network which will air the Orange Bowl game this night of Jan. 1. He also appeared on a Thanksgiving day in his final game of the season.

"Auburn has the best defense I've seen all year," the tall, handsome Alabama coach said.

"They beat us last year (10-8)

just because we let ourselves be distracted by bowl talk. I don't want it to happen again."

## Apologies Given for Band Attack

EAST LANSING, Mich., Nov. 18 (AP) — A Notre Dame official apologized Tuesday to Michigan State university for an attack on MSU band members at South Bend, Ind., after last Saturday's MSU-ND football game.

One bandman was knocked unconscious, several others suffered minor injuries, about \$700

damage was done to instruments and four bandmen's hats were taken, MSU band director Leonard Palocic said.

The attack occurred about one-half hour after the game won by Notre Dame 34-7.

The Rev. Charles McCarragher, Notre Dame's vice-president of student affairs, estimated about 20 persons joined in the attack on the 175-member band.

"I would say we have a very strong feeling now not to return to Notre Dame" until we have very definite evidence the student body has changed its attitude," Palocic said.

A committee decided each year which two games away from home the band will attend. Notre Dame is on MSU's away schedule again next year.

"Gliners" regrets from the alumni faculty and students of Notre Dame university for the poor behavior shown by a few band members and followers in regard to the Michigan State band following last Saturday's game.

"Many student groups are writing in support of my statement and also some of the band hats have been recovered and will be sent directly to the Michigan State band," Palocic said.

"Sincerely hope the Michigan State band will return to Notre Dame next year for the annual football game, and that the relationship between the two schools will always continue to be the highest caliber."

By Bruce Electric, Chatsworth, Calif., and Turner and Hammer, Twin Falls, dropped to the Gooding Archers. The Quigley archers took a 3-1 victory over the Wando Archers.

The Gooding Archers fired the high series of the meet in both the scratch and handicap divisions and tied the Quigley Sheet Metal in the high handicap game.

Arlie Partin shot the high scratch for the men with 283 and the best woman shooter was Velma Quigley with 206.

# TODAY'S TELEVISION SCHEDULE

WEDNESDAY, NOV. 18

"The Burden and the Glory of John F. Kennedy" (Special, 6 p.m. — CBS) — The long special is devoted to the memory of the late President and his quest for peace during his administration. Off-screen narration will be by many of his cabinet officers and Vice President-elect Hubert H. Humphrey.

"The Dinah Shore Show" (Special, 6 and 10:30 p.m. — ABC) — Dinah's guests on this hour-long variety show include Polly Bergen, Buddy Ebsen and Hugh O'Brian.

BEST WEDNESDAY NIGHT MOVIES

"The Sad Sack" (1957) Jerry Lewis, David Wayne, Phyllis Kirk and Peter Lorre (8 p.m. KTFB-TV and KTWB) — Jerry portrays the unluckiest GI of World War II. But it's a loan-up as to who's the worse off—the army or "Sad Sack" Jerry.

"The Big Sky" (1952) Kirk Douglas and Dewey Martin (10:30 p.m. — KRO) — Adventures of a keelboat expedition to establish a new trading post in 1830. Lengthy, rather tame frontier melodrama. Well acted.

# East German Has Trial for 'Doublecrossing'

PLENGBURG, Germany, Nov. 18 (UPI)—This is the story of love across the Berlin wall, the story of Peter Sells, 26, and the great double cross of 1964.

It began last year when Sells, an East German construction worker, yearned of life under communism and swam the Elbe river to the West and freedom, leaving behind his wife, Barbara, 24. Its details came to light yesterday in a Plenburg court in the angry presence of a girl he tricked and abandoned to her fate.

For Sells was so much in love with Barbara he made love to Dorothy Voas, 18, an innocent girl whose only fault was to be dark-haired, brown-eyed and pretty, a dead ringer for the wife still behind the wall. It was Dorothy who was "doublecrossed."

To get his wife back, Sells not only wooed Dorothy but he became engaged to her and with the blessing of his parents made a pre-nuptial visit to East Berlin as they could do for themselves the grimmed life in the German Democratic Republic. He ditched Dorothy, grabbed Barbara and returned to the West, using Dorothy's identity card.

When the angry Dorothy tried to return to the West during the WhitSunday holiday that permitted the East-West visiting, she was seized by communist authorities who held her in jail for six weeks. Sells is accused of kidnapping and depriving her of her liberty.

"Did you have a guilty feeling for landing Dorothy Voas behind communist bars for six weeks last spring?" the chief judge asked Tuesday.

"Yes, . . . I have a guilty conscience," Sells replied. "But I couldn't think of anything but my wife. . . I kept telling myself the communists would only hold Dorothy a couple of days."

"I kept hoping . . . I still hope East German police wouldn't . . . that Dorothy will forgive me," he said. "I mean her no harm. That's why I didn't tell her what I was up to. I felt the German at first arrested Dorothy for trying to 'see the German girl as an accomplice. They tried to exchange Dorothy for fast selling results."

Democracy—Republik—for the Berlin. The Bonn government refused.

Later, when they discovered Barbara's flight, they held the West German girl as an accomplice.
